It looks as though there is a want within the community for us to run a café. We can use this opportunity to provide education in enterprise for the pupils, using the café to create a business model. In order to take this forward successfully we need support from parents to help, once a month to do a little baking and come in to help with teas and coffees. Maureen has kindly offered to help at the first café which will be on Tuesday 26th January. The next two dates will be – Tuesday 23rd February and Tuesday 29th March. If you are able to volunteer for either of these two dates, please get in touch with school. Can you also please tell as many people as possible about our community café venture, please? At the end of March, we shall assess the situation, and if the community cafe proves popular and can be sustained, we shall continue.
